Forecast For Orkney & Shetland
Issued by Met Office Aberdeen
at 0400 on Thursday 09 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with showery outbreaks of rain. Some mist and fog.

Today:
Showery rain, sometimes heavy, mainly affecting Shetland. A grey and overcast day in the main with mist and fog, though chance of some drier and bright spells in far north of Shetland later. Winds mainly moderate from the northeast. Maximum temperature 16 deg C (61 deg F).

Tonight:
Low cloud and haar expected to be extensive. Often dry but there will be some showery bursts of rain around, these possible heavy and thundery. Light or moderate northeast winds. Minimum temperature 11 deg C (52 deg F).

Friday:
Haar will be persistent and extensive with drizzle or showers at times. The showers could be heavy. Winds will be light and become rather variable in direction. Maximum temperature 16 deg C (61 deg F).

Outlook for Saturday to Monday:
Cloudy with outbreaks of rain on Saturday, although the haar will gradually clear as winds pick up from the northwest. Mainly dry and bright on Sunday and Monday.
